Mikio KIMATA, Dr. Agri. Sci.

1. Research Field：Ethnobotany and Principle on Environment Learning

2. Experiences in Field Research:

The Japanese Scientific Expedition for Nepalese Agricultural Research (1983)
Kyoto University Scientific Expedition to the Indian Subcontinent (1985)
Kyoto University Scientific Expedition to the Indian Subcontinent (1987)
Kyoto University Scientific Expedition to the Indian Subcontinent (1989)
Tokyo Gakugei University Scientific Expedition to the West Turkestan (1993)
Others: India, Pakistan, Nepal, Thailand, China, Korea, Mongolia, Uzbekistan, Tajikistan, Kazakhstan, Kyrgyz, US, Canada, Australia, UK, Netherlands, Austria, France, Italy, Vatican City State, Principality of Monaco, Spin, Portugal, Germany, Rosia, Belgium, Czech, Slovakia, Denmark, etc. (～present)

3. Contributions in English 1972～2026

Kimata, M., H. Shibata, and A. Ito 2026, Comparative Studies on the Life Histories and Hybridization of *Rorippa cantoniensis*, *R. islandica*, *R. dubia*, *R. indica* and *R.* x *brachyceras*, Cruciferae, Ethnobotanical Notes No.19:12-35.
